

FOR IMMEDIATE RELEASE

July 1, 2024

**Jamestown, Rhode Island** | The local family-owned business formally known as K. M. Gladding and M. T. Lott Construction is proud to announce new ownership and a consolidation of the brand, hereby known as M. T. Lott Excavation, effective July 1, 2024.

Along with the new ownership remains the existing foreman, management and team of operators who the organization has had so much success with during their long history.

M. T. Lott Excavation offers a comprehensive list of services as well as sales and delivery of crushed stone, field stone & boulders, screened loam, gravel, fill and more. Services include septic systems, new installations and replacements, public sewer and water line repair and installation, hardscapes, land clearing and demolition, as well as commercial and residential foundation work. M. T. Lott Excavation offers these goods and services throughout South County, Rhode Island, including Newport, Middletown, Jamestown, Narragansett and surrounding towns.

To learn more about M. T. Lott Excavation, or to reach out for a quote, see below contact information.
